Passed by the National Board of Review

(20)

- 1.(10) Every "fan" or "bug²" has a headful of pet theories.
So sport today is just one argument after another.
- 2.(5)₂ "Nothing to it! Golf is the most scientific game
in the---"
- 3.(3) Every club has a special use---
- 4.(5) For a different angle of flight--- the driver---
- 5.(3) Mashie---
- 6.(3) Niblic---
- 7.(4) Only the expert is master of them all.
- 8.(4) George McLean.
Grassy Sprain
Broxville, N.Y.
- 9.(7) Sand or grass, distance, angle, wind and lie---
different for every shot---
- 10.(3) Can you do this?
- 11.(4) A maxture of science, a gamble and a prayer----
- 12.(4) But an argument, like a plank, has two sides---
- 13.(5) "Say, you're goofy! Billiards is twice as
scientific."
- 14.(3) Bert Cutler is one of the greatest---
- 15.(3) The closest kind of figuring---
- 16.(3) The stars can zip off a few hundred points without
a slip.
- 17.(5) Only the balls can be solid ivory in this pastime.
- 18.(5) With that one over, who is the greatest horseman?
- 18*(12) Insert newspaper Race as film
- 18**(2) Insert newspaper as film
- 19.(6) "A good jockey can outride anything that sits on
a horse."
- 20.(4) A compact bundle of nerve and skill---
- 21.(4) Getting the best out of his mount ---
- 22.(4) Horsemanship tells in the stretch.

- 23.(3) But listen---
- 24.(4) "You're cuckoo! Any sap can ride a horse around a track."
- 25.(3) Polo is something else again.
- 26.(3) You must send him after the ball.
- 27.(3) And the ball is all over the map.
- 28.(3) Ride, hit and ride again---
- 29.(3) Wait! A last-minute entry---
- 30.(5) "You're both crazy. Give me a cowpuncher any day!"
- 31.(3) Here he is---
- 32.(3) He's part of the horse.
- 33.(4) Well, well! Here's another argument---
- 33*(2) Insert paper showing powerboat race.
- 34.(7) "These hydroplanes are the best all-around speed boats on the water."
- 35.(4) Most speed for the same horsepower---
- 36.(4) They've ripped off 80 miles an hour!
- 37.(4) But hydros are good only in smooth water.
- 38.(3) Say-- Hold on!
- 39.(6) "The displacement type is a gentleman's craft-- a real boat."
- 40.(3) Comfortable at 60 miles an hour!
- 41.(3) And nice on the turns---
- 42.(3) It's not over yet---
- 43.(4) "How about a "sea sled"? That's the best--"
- 44.(5) Great speed and stability with carrying capacity---
- 45.(3) A tail like a comet---
- 46.(3) 70 miles an hour is enough.
- 47.(3) Tune in on station W-O-W.
- 47*(2) Insert Foreground of paper showing ~~race~~ chart.
- 48.(8) "A wrestler would have one of the boxers linked to a frazzle in a rough-and-tumble scrap."

- 49.(6) Nat Pendleton, European professional heavyweight wrestling champ--
- 50.(3) The wrestler gets the jump--
- 51.(3) Coming to close quarters--
- 52.(3) Any opening for a knock-out here?
- 53.(4) If the boxer insists on backing away--
- 54.(5) Pendleton says he could like Dempsey this way--
- 55.(4) It's all over when they hit the mat.
- 56.(6) The boxer deals in "knock-outs", the wrestler in "squeeze-outs".
- 57.(12) Somebody page the Judge. Religion, Evolution and even Politics are nothing compared to the arguments of sport.
- 58.(3) THE END.
